2. The Sullia Block comprises of 47 villages. The Jurisdiction of the Special Revenue Inspectors (One existing already and the other now appointed by me will be 23 villages for one and 24 villages for the other. The No. of Villages to each of the Special Revenue Inspectors will be more or less equal to a full Revenue firka in extent when compared with the Firkas in Coastal belts. Besides, on account of the peculiar terrain of

(A) the land in this district it will not be reasonable to grant them F.T.A. equal to that drawn by the Firka Revenue Inspector as the area involved for touring will be very extensive and difficult without proper communications. Rules in accordance with the instructions contained in Government Memo.No.2428 R.D.P.III-54-2 Dated 8-11-54. Please see the B.P. and its
enclosures at pp 1-7 of. In para 5 of
the Board's Proceedings the Board has recommended
that, for the reasons stated by the Colly in
his letter at pp 3-5 of, sanction for the drawal
of T.A. under H.T.A rules by the addl. R.I. ^{and his place} now
sanctioned in the B.P. at p 1 of may be
accorded. The Colly of South Kanara has
stated that the existing R.I. for loans work
in the Sullia Block draws ordinary T.A.
under H.T.A rules in accordance with the
instructions issued in Memo No 2428 R.D.P.III
/54-2 dated 8.11.54. He considers that even
the grant of T.A. allowable to the regular
fixer R.I.s is not adequate to the Spl.
R.I.s in Sullia Block and he has, therefore,
recommended T.A. to them under H.T.A rules.
In this connection it is submitted
that recently ~~in connection with~~ in respect of
Special Revenue Inspectors working in
N. Channarayana Block the Colly of South Kanara,
^{similar} for the reasons similar to the present ones, ~~has~~
suggested that they may be paid T.A. under
H.T.A rules instead of Rs 15/- sanctioned
